

THE CHAUTAUQUA OPENING PROGRAM

Rev. Sam P. Jones on "This,
That and the Other."

DR. STROUSE CALLS TO ORDER

A Large Audience at the Tabernacle to Inaugurate the Second Assembling of the Florida Winter Chautauqua. Drs. Strouse and Blackstone Extend a Heartly Welcome.

All nature seemed so beautiful and the day so bright, that the large concourse of people who came out yesterday afternoon to be present at the opening of the second session of the Gainesville Chautauqua, were in accord, and smiled even when the Rev. Sam P. Jones—of Cartersville—opened up an old jar of preserves that they had sampled on previous occasions.

The Tabernacle was well filled with an audience that came to hear and cheer the opening remarks of Rev. Dr. Strouse, who has worked with much devotion to the cause he espouses, and when he began he gave the credit to Dr. Davidson for the excellent program so auspiciously opened. At the conclusion of his earnest prayer he called on Dr. W. E. Blackstone, who mentioned the fact that from one Chautauqua started in this country but a few years ago, there were now 260, and that they were held for the purpose of pleasing and instructing the people. He thought it was not God's plan that the devil should have all the amusements. He thought there was no reason why we should not have cheerful Christians, and live a heavenly, joyful life. The chautauquas are intended for enjoyment as well as instruction. He believed we were going to have a good Chautauqua, and spoke highly of the attractions, many of which would be of the highest order.

After Dr. Blackstone had taken his seat the Rev. Sam P. Jones—of Cartersville—stepped to the front of the rostrum and began to say "We come from the—(applause)—passing from the sublime to the ridiculous, although the transition may take your breath away, this audience reminds me of Utah—about seven women to one man." He then paid his compliments to the sisters and said he loved them all as much as his wife would permit. In speaking of chautauquas, he said they were having a large and healthy growth, about 40 a year being the increase, and that Iowa had 32 and Illinois 30. That they were multiplying and were a necessity, as the people were tiring of the county fair and Methodist camp-meeting, as there were no more big pumpkins for the fair and not enough religion for the camp-meeting. He did not think that science and religion went well together.

On the divorce question he said he kept quiet. He didn't believe God joined many of the people together these days. He thought the devil did most of it. He said he would like to see the time when any man or woman could get a divorce by walking into a court room and asking for it; but if either got married again they would be sent to the penitentiary for life.

God's eye has been on the world ever since he rolled it into space, he said, and he believed in faith—walking in the faith, and being saved by faith, and not by sight. That you should not see to believe.

As he had to speak again he said he would not tell all this time, as the people would not come again, and he closed with a very pleasing smile and request to hear the rest later.

Dr. Strouse made the announcements and the meeting closed, all feeling pleased to see so many on hand at the first of the series of meetings and entertainments.

Today's Program.

The program for today begins with a lecture at 10:30 a. m. by that popular platform speaker, Dana C. Johnson, his subject being "Thomas Jefferson." Mr. Johnson is a pleasing talker.

There are two numbers on the program for the afternoon. At 2 o'clock Miss Bed-Ollie will give her picturesque Oriental entertainment, with a number of ladies attired in the costumes of the East. At 3 o'clock Rev. Sam Jones will deliver his lecture, "Hot Shot for Speckled Birds."

At the evening exercises, beginning at 7:45, Miss Charlotte Cooke will render several violin solos, to be followed by Lou J. Beauchamp in his lecture, "Taking the Funny Side."

The evening program on the opening day consisted of violin solos by Miss

MOZLEY'S LEMON ELIXIR

REGULATES THE
LIVER,
STOMACH,
BOWELS,
KIDNEYS.

The inventor of the famous "TERRELL SCRAPE," a man known wherever plows are sold and used, says:

"I have used MOZLEY'S LEMON ELIXIR for 10 or 12 years in my family for the stomach, liver and kidneys, and find it is the best medicine I have ever used. It is also a sure specific for pain in the back or under the shoulders. I have recommended it in numerous cases to my workmen, when sick and unable to work, and it has always given perfect satisfaction. H. D. TERRELL, President Atlanta Plow Co., Atlanta."

MOZLEY'S LEMON ELIXIR.

Cooke, and the entertainment, "Life in Palestine," by Miss Florence Ben-Ollie, assisted by nineteen ladies dressed in the picturesque costumes of the Eastern countries, followed by a lecture by Sam Jones, the irrepressible.

Both lectures were of much interest, and as a prelude to the regular program, Mr. Dana C. Johnson made a few remarks and Mr. Jones gave a random talk, while the people were waiting for the ladies to array themselves.

Dr. Strouse took occasion to urge all to be promptly on hand at 10:30 this morning to hear the lecture on "Thomas Jefferson."

GAINESVILLE HONORED.

Mr. Ashley and Mrs. Smith Invited to Sing Before Press Association.

Gainesville has been honored by the Florida Press Association, and the talent of two of her citizens has been specially recognized, all of which is duly appreciated.

Secretary Thos. J. Appleyard of the Florida Press Association has invited W. W. Ashley, associate editor of The Sun, and sister, Mrs. Elizabeth Smith, to render vocal music at the session of the Press Association, which will be held in Lake City on March 22, 23 and 24.

Mr. Ashley and Mrs. Smith possess excellent voices, and usually do duet music. They favored the Association with several choice selections in Pensacola in 1902, and are regarded as being among the best vocal artists in the State.

While Mr. Ashley and his sister appreciate the honor of the invitation very much, they have not yet decided whether they will attend the Association.

Gives Health, Vigor and Tone.

Herbine is a boon for sufferers from anemia. By its use the blood is quickly regenerated and the color becomes normal. The drooping strength is revived. The languor is diminished. Health, vigor and tone predominate. New life and happy activity results. Mrs. Belle H. Shirel, Middlesborough, Ill., writes: "I have been troubled with liver complaint and poor blood, and have found nothing to benefit me like Herbine. I hope never to be without it. I have wished that I had known of it in my husband's lifetime." 50 cents. Sold by W. M. Johnson.

LIFE BY ARTIFICIAL MEANS.

Remarkable Scientific Discovery Made by a California Professor.

University of California, March 1.—Extraordinary results have attended recent experiments of Dr. Jacques Loeb, of the University of California, who has been delving deep into the mysteries of life and who now announces, without reservation that his experiments have produced most surprising results, which involve the production by artificial means, of sexual fertilization in the eggs of sea urchins, a consummation long sought but hitherto not attained in any such measure as through the most recent experiments of Dr. Loeb. Says Dr. Loeb, at the conclusion of a long statement regarding his work:

"It is obvious that we are now able to imitate the process of sexual fertilization in the egg of the sea urchin completely, and in all its essential features purely physical and chemical means."

"Help! Help! I am falling!" cried the hair

And a kind neighbor came to the rescue with a bottle of Ayer's Hair Vigor. The hair was saved! In gratitude, it grew long and heavy, and with all the deep, rich color of early life. Sold in all parts of the world for sixty years.

THIS COMPANY PROSPERS.

Florida Fertilizer Company Selling Quantities of Goods.

The people of Gainesville are proud of such manufacturing enterprises as the Florida Fertilizer Manufacturing Company, and are always glad to learn that such institutions are prospering.

In conversation with President Woolley of this company yesterday it was ascertained that the company is enjoying a fine business, the shipments so far this season amounting to about 20 per cent over the same period last year, notwithstanding that last year was the most successful ever enjoyed by the company.

This company employs a large number of men, and several thousand dollars are paid out monthly, all of which is distributed among the Gainesville merchants.

This company ships its products to all parts of the State from Pensacola to Key West, and the fact that the same parties are customers every year is the best evidence that the goods are all that is claimed for them.

Cured Consumption.

Mrs. E. W. Evans, Charwater, Kan., writes: "My husband lay sick for three months. The doctors said he had quick consumption. We procured a bottle of Ballard's Horehound Syrup, and it cured him. That was six years ago and since then we have always kept a bottle in the house. We cannot do without it. For coughs and colds it has no equal." 25c, 50c and \$1. Sold by W. M. Johnson.

Mrs. Beck Dead.

The people of Campville are sorrowing over the death of Mrs. Elizabeth Beck, the sad demise of whom occurred Friday in the ninetieth year of her age. Mrs. Beck was a noble, Christian lady, and as long as she was in good health an earnest church worker. She was buried at Campville cemetery Saturday.

A sad conclusion of this affair was the death on Monday of Mrs. Madison Beck, a daughter-in-law of the lady who died Friday. She was about forty-five years of age, and was possessed of an affectionate nature. She was buried Tuesday.

The surviving relatives have the sympathy of The Sun and other friends.

A Safe Cough Medicine for Children.

In buying a cough medicine for children never be afraid to buy Chamberlain's Cough Remedy. There is no danger from it and relief is always sure to follow. It is especially valuable for colds, croup and whooping cough. For sale by all druggists.

LABOR INJUNCTION MODIFIED.

Strikers Can Talk to Employees if There is No Sign of Violence.

Chicago, March 1.—An injunction issued by Judge Kavanaugh against picketing of tailoring establishments and factories by striking garment workers has been so modified that it will be resumed legally around the plants today.

Members of the union declare that this marks a change in the attitude of the courts in labor struggles.

Men, women, and girls will picket all factories where the walk-out prevails and attempt by peaceful means to persuade non-union workers to quit work and join them.

Judge Kavanaugh decided the strikers should not be prevented from peacefully speaking to the non-union employees as long as there was no semblance of persecution.

Startling Mortality.

Statistics show startling mortality from appendicitis and peritonitis. To prevent and cure these awful diseases there is just one reliable remedy, Dr. King's New Life Pills. M. Flannery, 14 Custom House Place, Chicago, says: "They have no equal for constipation and biliousness." 25c at druggists.

Cruiser Brooklyn at New Orleans.

New Orleans, March 1.—The United States cruiser Brooklyn, which was ordered here by the navy department to participate in the carnival festivities, crossed the bar at Port Eads at 3:30 a. m., and is on her way to the city.

To Cure a Cold in One Day

Take Laxative Bromo Quinine Tablets. All druggists refund the money if it fails to cure. E. W. Grove's signature is on each box. 25c.

Do You Take Quinine?

It's 10 to 1 you do if you are a victim of malaria.

Don't Do It. It's Dangerous.

We'll admit it will cure malaria, but it leaves almost deadly after effects.

HERBINE

is purely vegetable and absolutely guaranteed to cure malaria, sick headache, biliousness, and all stomach, kidney and liver complaints.

TRY IT TO-DAY.

50 Cents a Bottle. All Druggists.

For Sale by W. M. Johnson, Gainesville
